

Display Floors

Discount Policy

Display floors are discounted with the following provisions:

- The distributors may deduct 25% off Elevation’s current published container price up to 200 square feet.
- Credit will be issued once the following application along with photo of the installation is completed and returned to Elevations and Loft.

Elevations

Display Floor Program Credit Application

The purpose of this program is to assist the distributor in placing floors in key locations for maximum exposure. This includes, but is not limited to, dealer showrooms, model homes and kitchen dealers.

Any combination of Elevations products may be used up to a maximum of 200 square feet per installation. The following incentive discounts apply:

- The distributor may deduct 25% off Elevations current published price for a given product up to 200 square feet per installation.

The following information must be completed and a copy of the distributor’s invoice attached indicating a “display floor” sale with a photo of the installation before credit will be issued.
